1 The Scholarship is only available to penultimate (law students in their second last year) or final year law students in the year that the Scholarship is awarded. For example, for applicants applying for the 2027 Scholarship, must either be in their second last year or final year of law school in 2027.

Please also note that applicants who are completing their Practical Legal Training are assumed to have completed their law degree or are in their final stages of completing their legal studies, which means they will not be eligible for the Scholarship. However, if the applicant's Practical Legal Training is part of their law degree, then please email koowarta@lawcouncil.au and we will be able to confirm whether the applicant is eligible for the Scholarship.
